Chinatown Walking Tour: CHINESE HERITAGE WALK

The Chinese Culture Center offers docent-led walks through Chinatown emphasizing the various cultural achievements, social progress and history of the Chinese community in America. The walk begins with a brief introduction at the Center and may include places of interest such as the Chinese Historical Society of America, Chinese temple, herb store, teashop, food market, churches, schools, community organizations, and many architectural and historical points of interest

What are the names of our two guides: _____ & _____
