June 26, Friday

9:00 – 10:00  Review of “Room” from previous day

10:00 – 10:15  Yoga in Hindi

10:15-10:45  Introduction to the family module (family tree)
Native Speakers will talk about their families and students will record the information in a chart

10:45 – 11:00  Students will report on the similarities and differences between the families.

11:00 – 11:30  Students will brainstorm questions for a survey and then conduct the survey among their classmates to determine who has the largest family, the smallest family, and what the average family size is. They will then compare this information with what was learned from the Hindi native speakers.

11:30 – Noon  Students will watch a Bollywood YouTube video and identify key words related to family.

Noon – 1:00  Lunch

1:00 – 1:30  The Nehrus – India’s first family PowerPoint Presentation

1:30 – 2:00  Students will identify the relationship between the Nehru family members on the worksheet provided

2:00- 2:15  Students will then create their own families tree and present it to the class.
They will then post family information on the Ning for global partners.

2:14- 2:30  Students will read sentences about families in India and America and work on their Venn diagram.

2:30- 3:00  Open reading
