Step Three: Check box for citation by name

If you wish to be contacted before your child is mentioned by name in any future publication, check this box.

| What about confidentiality? | We will do our best to keep your child’s personal information confidential. We will store all data will be stored in a password-protected database. We will not include participant names in any published reports, media, or public discussions of STARTALK. Your child’s name will be given a code for surveys and other data. The researcher will use this code to link your child’s survey and identity. Only the researcher, you, and your child will have access to data. We will ask your permission if we want to cite your child by name for any reason.

Your child’s information may be shared with representatives of the University of Maryland, College Park or government authorities if your child or someone else is in danger or if we are required to do so by law. |

Check Box: I wish to be contacted before my child is cited by name in the future. ☑
Step Four: Enter your child’s name at the top

Consent form for Student Participation
