Assessing Outcomes

• Have you met your team leaders?
• Have you shared experiences with and learned new ideas from colleagues?
• Are you familiar with STARTALK system, requirements, and resources?
• Do you know where and from whom to look for information now?
Are you ready for Your STARTALK Performances?

Will you soon...

• Begin curriculum planning?
• Update online system profiles?
• Share workshop experiences, information, and resources with your home team?
Think Strategically, 
Act Locally!

- Think about creating and documenting the impact of your program
- Tell your success story to parents, community, media, policy makers, and STARTALK Central
- Create synergy to translate and disseminate STARTALK success into permanent and other WL programs
